

BUSINESS AWARD NOMINATION, 2023

Value up to \$ 20,000

EXECUTIVE FORUM | WASHINGTON D.C. | HOUSE OF SWEDEN

About the award

As the second largest European chamber of commerce in the US with some 2,000 members, 200 annual programs and 20 offices, the Swedish American Chambers of Commerce are excited to solicit among the membership and beyond nominations for the 2023 Business Award.

The award was instituted to promote and support the success of Swedish companies operating in the American market. The company selected as the winner will be the main sponsor/keynote speaker at an Executive Forum (est. value up to \$20,000), the SACC-USA flagship and a premier business development platform. The winner will also gain publicity in SACC-USA's channels and receive a one-year membership in the umbrella organization.

The jury consist of 13 seasoned executives including the editor-in-chief of Sweden's business daily Dagens Industri and the winner will be announced at the 2023 Executive Forum on May 4 in Washington D.C. We invite you to nominate SACC members and non-member companies by April 9 at this link. Thank you for your input and warmly welcome to join us at Executive Forum on May 4!

Sincerely,

Karin Hammar

Requirements

To be eligible for the SACC-USA Business Award, the company must have made a significant contribution to business, investment, and jobs in the United States by meeting one or more of the requirements below (applies for the United States market only):

- An annual turnover/sale that exceeds \$ 1 million
- At least ten employees
- At least doubled its sales, comparing the most recent financial year with the year before
- Increased sales every year for the past three years
- An overall operating profit for the last three financial years that is positive
- Mainly organic growth, not through acquisitions or mergers
- Overall sound finances
